INFORMATION:

ITEM TITLE: **Appointment of Animal Warden**

RECOMMENDATION: Adopt a resolution appointing a part-time Animal Warden.

SUMMARY:

The Police Department is hiring David Boggs as a part-time Animal Warden to help enforce the City's animal control ordinances. Even though Animal Wardens report to and work under the supervision of the Police Chief, the State Code provides for the appointment of Animal Wardens by the local governing body. Prior to requesting that Mr. Boggs be appointed as an Animal Warden, the Police Department conducted a thorough background investigation that included interviews with previous employers, family members and other references; a criminal background check; a credit check; a DMV check; etc and discovered nothing in his background that gave the Police Department any concerns.

In order that City Council will not have to continue to deal with the appointment Animal Wardens, the attached resolution authorizes the City Manager to approve the appointment of Animal Wardens in the future.

PRIOR ACTION(S): City Council appointed part-time Animal Wardens on November 8, 2005.

FISCAL IMPACT: The position will be filled with existing resources.

CONTACT(S): Alan Faircloth 455-6048 or Larry Faust 455-6105.

ATTACHMENT(S): A resolution appointing a part-time Animal Warden.
